

Moody

SAIL IN ELEGANCE.
LIVE IN LUXURY.

 Moody DS48

TRADITION MEETS MODERNITY

156sqm maximum sail area gives the 48-foot yacht enormous performance potential.

Extra-stiff hull with chines to increase buoyancy and stabilise the hull when heeling.

With its roots in Britain, Moody has a rich history shaped by a generation-spanning passion for sailing and maritime pursuits. Moody yachts proudly carry this longstanding tradition, having been cherished for decades for their timeless design, top-notch performance, and unmatched seaworthiness. Their elegance on the water reflects the fine craftsmanship historically associated with British sailing culture.

THE MOODY „MONOMARAN“

Moody's long-standing sailing tradition continues with the brand-new Moody DS48. Immerse yourself in the unmistakable Moody flair of this unique deck saloon yacht. The seamless connection between galley, saloon, and cockpit on a single level provides a wonderful sense of space akin to a catamaran – yet with the comfort and sailing performance of a monohull.

THE PERFECT PANORAMA

As the sun's rays flood the deck or the stars illuminate the night sky, you can enjoy the same impressive 360-degree panoramic view from the deck saloon as well as from the cockpit. Whether you're preparing meals, navigating, or lounging on the sofa, the outside world remains within your sight.

360-degree panoramic views from every point in the saloon.

VIP cabin with ample storage space, including two wardrobes and under-bed drawers.

Choice of berths

On request, a double guest berth can be fitted instead of two single berths.

SEAMLESS LIVING DREAM

The redesigned forward dinette beckons for relaxed moments where you can feel a gentle breeze and pleasant air on your skin. The deck saloon offers a cozy U-shaped seating area, a practical chart table with interior steering, and a fully-equipped galley with ample storage space and various options for kitchen appliances. The smooth transition from the saloon to the sheltered and spacious cockpit invites relaxation and socialising. With two cockpit tables and an extendable bimini, this wonderful yacht becomes even more versatile.

With its stunning volume, the Moody DS48 features an impressive owner's cabin with an en-suite bathroom and separate shower. Additionally, there's room on board for two remarkable guest cabins, each with their own bathroom and separate shower. Here, you can retreat and enjoy your privacy.

SAFETY IN EVERY JOURNEY

Your safety is our top priority on board the Moody DS48. The solid railing construction and the extra high foot rail ensure the highest level of protection at all times, conveying confidence and composure, even in challenging weather conditions. Move freely and safely on the walkaround deck and experience unforgettable adventures on the water.

COMPLETE CONTROL

Take command and navigate with ease by controlling and operating the entire yacht from either the cockpit or the interior steering position. This not only enhances convenience but also ensures your safety even in rough weather, as you maintain control from a sheltered vantage point.

Experience the comfort of the Moody Smart Tender System, which provides you with a genuine dinghy garage. Thanks to the Moody Smart Tender System, your dinghy is ready for use in just a few simple steps or effortlessly stowed away after an exciting day on the water.

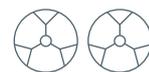

Safe walkaround deck
with high bulwarks and robust stainless-steel guardrail.

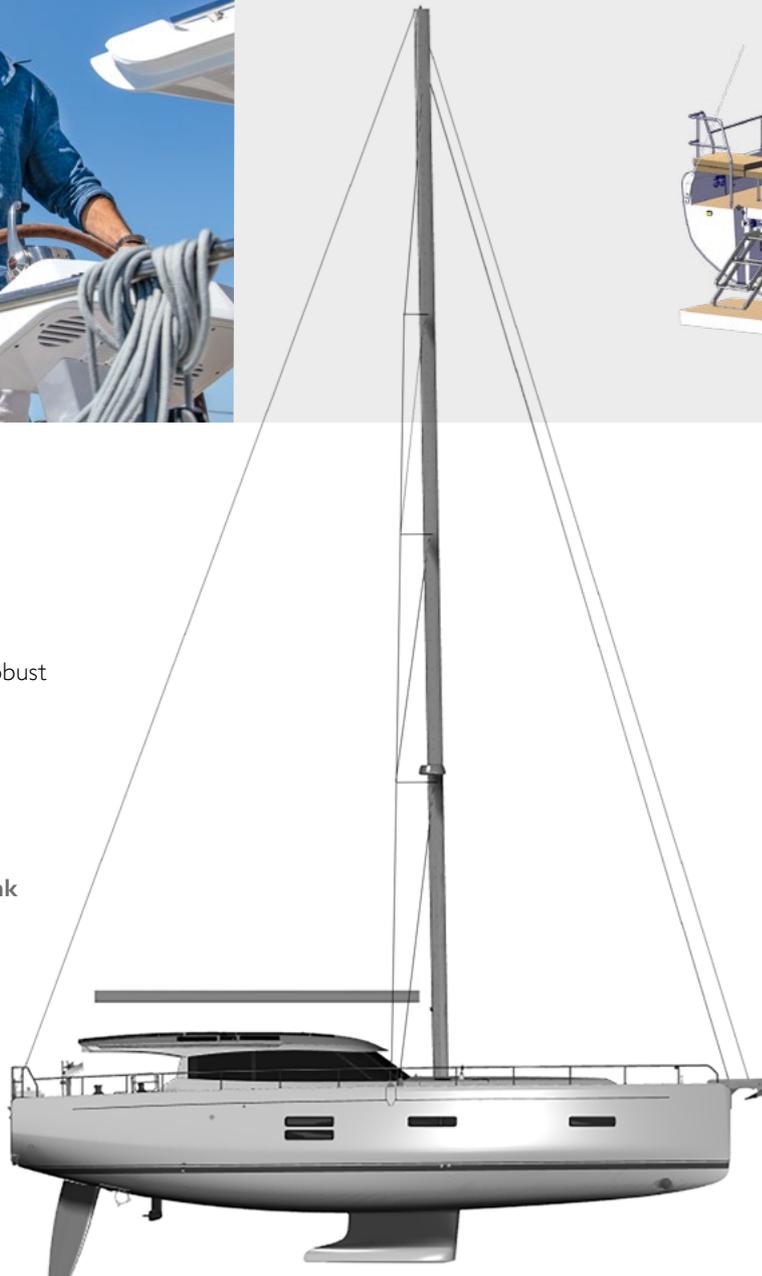

766 litre freshwater tank
The extra-large tank enables you to stay at sea for longer.

Dinghy garage for tender & toys also accessible from the deck.

Double helm station controlled from a raised position.
